

# The Grady Gazette

A publication of Grady Elementary PTA  
Volume 2, Issue 1, September, 2013

## From PTA President, Damaris Allen

Dear Grady Parents,

Welcome back, Grady Tigers! We are so excited to begin the 2013-2014 school year. It is my privilege to serve as your PTA president. I serve alongside an incredibly talented and dedicated board of eight other members, all of whom are working hard to make this an incredible year.

Grady Elementary PTA works hard to enhance the feeling of inclusiveness and sense of community at Grady. We partner with Grady parents, teachers, staff and our community to bring fun and educational programs, events, services and opportunities to our children to enrich their academic experiences.

PTA is for everyone. If you have not already, we encourage you and your family to join. Your membership and participation in our events will result in our school being able to purchase enriching curriculum materials and will help Grady Elementary with the construction of a new multipurpose building on school grounds.

Grady is a wonderful school, with a dedicated staff and a great group of parents. I am confident that with your help this will be a banner year at Grady. I look forward to serving you this year!

Sincerely,

Damaris Allen (email: [GradyElementaryPTA@gmail.com](mailto:GradyElementaryPTA@gmail.com))

## Go Grady Tigers!

The Grady Gazette is a publication of the Grady Elementary PTA. It is designed to keep our entire school community informed about all of the activities of the Grady Elementary PTA. It is published six times a year in September, October, November/Dec., January, Feb./March and April/May.

**The deadline for submission of articles is the tenth of the month prior to the publication date. Please email submissions to:**

## Box Tops for Education

Once you start looking, you'll see these little pink coupons everywhere! **Each Box Top coupon is worth 10¢ for Grady Elementary. And they really add up.** Last year Grady earned **\$1,237.00** from Box Tops for Education, and this money directly supports school programs. Let's continue to clip box tops from hundreds of products (General Mills, Pillsbury, Hefty, Scott and Betty Crocker, just to name a few). **Our goal is to receive 20 box tops per child.** Please put the clipped box tops in a Ziploc bag and send them to school with your child **on or before October 18, 2013.** Please contact box top coordinator Amy Jarman at [akojaman@msn.com](mailto:akojaman@msn.com) with any questions.

## Great American Fall Fundraiser By Jessica Schentrup VP of Fundraising

Dear Grady Parents,

I hope the school year has started off well for each and every one of you. The PTA has an exciting year of events planned for the children and families of Grady Elementary. The first is the annual Fall Fundraiser which kicked off on August 29th. Grady Elementary has partnered with Great American for a catalog based fundraiser, with a huge variety of high quality products that appeal to everyone. Choose from holiday wrap and accessories from the Martha Taylor Collection, plus magazines, jewelry, chocolate, kitchen, garden and more. Plus, visit the website [www.gafundraising.com](http://www.gafundraising.com) for an expanded selection of fantastic items.

The main goal of the Fall Fundraiser is to raise funds to build a new multipurpose facility for our school as well as support the teachers as they implement the new Common Core State Standards this year. Look for the catalog packets, which went home with each child on August 29th. Don't let your child miss the chance to win a collection of up to 20 adorable monkey key chains! Monkeys will be distributed randomly and students will be able to trade with other students and teachers.

We hope to raise \$10,000 from this event. We can make this year a great success if we work together. We are asking every family to participate in the fundraiser to reach our goal. I look forward to an outstanding year with all of you at Grady Elementary.

Jessica Schentrup, MSF, VP of Fundraising

### Family Nights

Please come support our school. Enjoy family nights sponsored by Grady's business partners. Please mention Grady Elementary when you order and a portion of your purchase will be donated to our school. Watch for our family night at **PDQ**, located at 2207 S. Dale Mabry Hwy, on Friday, **October 4**, from 5-8 pm, and our upcoming family nights at Pizza Hut, 4055 S. Dale Mabry Hwy. (near Britton Plaza), and Pinarama, located at 5008 S. Dale Mabry Hwy.

## Board Member Spotlight: Events

Two Jennifers are sharing the role of Grady PTA VP of Events. Jennifer Narvaes is a mother of two boys, a first grader and a second grader. This will be her second year as a Grady Elementary mom. Last year, she was a homeroom parent and she volunteered at multiple school events, so she is well versed in how our events work. She is originally from Hawaii, but as a military wife, has lived in many places over the last decade. She is hopeful to be in Tampa for several years to come.

Jennifer Postlewait is married to retired Army Sergeant Major Rob Postlewait and the mother of two girls; one in second grade and the other in first grade. Last year, she also served as a homeroom parent and volunteered at multiple school events.

This year's events include the Grandparents' Day Breakfasts, Fall Festival, Winter Concert, the Walkathon and the Spring Musical. See the attached calendar of events for the day of each event. Jennifer Narvaes and Jennifer Postlewait both hope that you and your family enjoy the wonderful events they are planning for you. Both Jennifers may be reached at [GradyPTAEvents@gmail.com](mailto:GradyPTAEvents@gmail.com).

### Research Shows Students with Highly Involved Parents Do Better in School

Combining data from 77 studies, researchers found **the achievement scores of children with highly involved parents were higher** than those of children with less involved parents. This finding held across all ages and ethnic groups and all measures of achievement, including grades, test scores, and teacher ratings.

## Please Help Grady Elementary Reach 100% PTA Membership! By Debbie Bresnahan, VP of Membership

The goal of our PTA is to involve **all parents** and grandparents in the Grady family. Thus, we request that **someone from every Grady family join the PTA this year**. Membership costs just \$6 for a single member and \$10 for two members. Because volunteering is requested, not required, you can **feel connected, without fear of a time commitment**. Every family has something to offer, such as sending in box tops or supporting our events. So please help to enhance our children's school experiences by joining the PTA. **To join, please fill out the form on the last page of the newsletter and send it with cash or check to your child's teacher.** Please contact Debbie Bresnahan at [GradyPTAMembership@gmail.com](mailto:GradyPTAMembership@gmail.com) with any questions.

## Sponsorship, by Kris House

Grady Parents:

I would like to provide you with a brief overview of the Tiger Partner Sponsorship Program. Grady Elementary PTA's primary mission is to provide programs and activities to support our students, teachers and parents in order to enhance the educational experience at Grady Elementary School.

To make our mission a reality, we rely on parents, grandparents, neighbors and community sponsors to fund our Tiger Partner Sponsorship Program. This program consists of **five levels**, listed in the sponsorship packet, **of tax-deductible contributions to help fund all of the important projects we offer at Grady Elementary**. Every student has received the sponsorship packet, and extra copies are available in the school's main office.

An example of how the money is used is this year the PTA provided each teacher with a \$100 Lakeshore Learning gift card at the start of the school year. These gift cards are used for **classroom supplies not funded by the district**. The teachers normally purchase these supplies with their own money. Another example is that in June 2013, the PTA provided **funding for the World Drum Curriculum**, which will be used in Mr. Florio's music classes. This new program will be started this year at Grady Elementary, and **every single child will get to participate**. Another of our main goals is to raise money for a new multipurpose facility. The new facility will allow us to offer a full range of extra-curricular activities, provide shelter for physical education on extremely hot days or in the case of inclement weather and house our events such as the Winter Concert and Spring Musical.

When it comes to Grady Elementary School, I am very passionate. Funding these programs is extremely important because they are needed and appreciated by our very own children. I ask you to join me in my enthusiasm and passion for our kids, and give them the future they deserve!

### Mini Corn Dog Bites Recipe

Mix 1 box of Jiffy corn bread mix according to package directions. Spray a mini-muffin pan with Pam Cooking Spray. Spoon the corn bread batter into the mini muffin pan, filling each spot approx. 3/4 full. Slice 2 low sodium hot dogs (e.g. Boars Head Brand) into 12 pieces. Place one piece of hot dog into the center of each spot of the muffin pan. Bake at 400° for 10+ minutes or until crust is golden brown. Makes 12.

## Florida PTA Statewide Convention Report

In July, Florida PTA held its annual statewide convention. President, Damaris Allen, VP of Membership, Debbie Bresnahan, and VP of Communications, Ellen Lyons, attended the conference. The conference provided extensive training to PTA members, with special emphasis on event planning and communication. The conference also featured an excellent program on conflict resolution. The conflict resolution program emphasized that honest communication can come from properly identified and managed conflict. The key is to understand that different values are the source of conflict, to work toward a shared value and to show respect to others in the process. The conference provided our board with many new ideas for the coming year.

## The Importance of Trust

A study of trust in Chicago schools found that higher achieving schools had higher levels of trust, while schools with the lowest achievement rates had minimal trust. The researchers used four qualities to define trust, which we can all remember to use in our daily lives:

**Respect:** Recognizing that each person plays an important role in a child's education and knowing that parents and educators can talk honestly and openly

**Competence:** Feeling that families and educators can create an effective working environment and will work hard to get the job done

**Integrity:** Feeling that people keep their word, doing what they say they will do, and always put the best interests of children first

**Personal regard:** Knowing that people in the school community are willing to go out of their way to help each other
