

Grady Elementary 2013-2014 YEARBOOK

We are writing to you on behalf of Grady Elementary School PTA.
We are offering businesses a great opportunity to promote themselves to Grady Elementary school students, parents and faculty while also showing support for our school by sponsoring our yearbook.

To help make our yearbook possible we are asking that you would be kind enough to promote your business in our upcoming yearbook! All proceeds goes to students that won't be able to afford a yearbook.

PAGE SPONSORSHIP - \$30

•Your business logo will be printed at the bottom of a yearbook page to show your support in sponsoring the book. You also have the option of doing two pages worth of sponsorship for \$50 OR three pages for \$60.

Increased exposure: Students and their families look over their yearbooks repeatedly over years, so your ad will be seen time and time again.
Targeted audience: Advertising in the yearbook is targeted directly to young people and their families.
Value: The yearbook ad is a great value. Compare these to a one-week ad in the newspaper or radio spot. What a bargain!

If you wish to reserve your space now, please mail the enclosed order form with payment. The mailing address is located at the bottom of the order form.

Sponsoring our yearbook is a highly visible way to show your support for our yearbook and our elementary school. We would greatly appreciate your support.

Please detach and return the order form below. Thanks in advance for your support! **Due Date February 15 2014.**
